

Capability statement

Technology services and software for government and commercial organizations.

IT Custom Solution LLC · Founded 2021 · Delaware LLC · New York operations

UEI PR9KWJPM4JU9 · CAGE 91CE1 · Primary NAICS 541519

Four practices. One accountable firm.

Pursuit and teaming. Government and enterprise bid support, technology sourcing, and prime/subcontractor teaming scoped to the requirement.

Consulting and AI advisory. AI workflow assessment, implementation guidance and software architecture advisory.

Technology services. Custom software, cloud and infrastructure, IT procurement, managed IT, cybersecurity support and staffing. Coverage and specialist support are agreed for each engagement.

Software products. ITC develops Winrove for government contracting, OpsTicket for skills and assessment-led recruiting, and ClaimKeel for healthcare revenue-cycle management. Available workflows and access are confirmed for each release; ClaimKeel demonstrations use synthetic data.

Selected past performance

Rensselaer County, New York. Computer-related accessories and power supplies under competitive bid RFB-22-31 (2022).

City Utilities of Springfield, Missouri. Dell Latitude laptops and docking stations. Purchase order: December 2022; invoice: January 2023.

Supporting scope and records are available through procurement review. Contract value on request. ITC's owned software is separate from third-party client past performance.

Qualifications

Credential	Latest documented status
